

Invitation to the public defence of the PhD thesis

Improving healthcare quality in community-acquired pneumonia

By Markus Fally, MD
Department of Internal Medicine
Section for Respiratory Medicine
Copenhagen University Hospital – Herlev and Gentofte

Date and time: Wednesday, 16 June 2021, at 13.00 CEST

Due to the COVID-19 pandemic, the defence will be conducted digitally, without physical presence. The defence can be joined via Zoom using the following link: <https://ucph-ku.zoom.us/j/62731012568>.

Participants are kindly asked to join the defence at least five minutes prior to the actual start.

Optimising Treatment of Community-Acquired Pneumonia
